PRESS RELEASE

BUSINESS MEET WITH FIEO ON SETTING UP OF WAREHOUSE IN GUATEMALA

The Embassy of India, Guatemala City, in collaboration with Federation of Indian Export Organization and India Business Forum, Guatemala City conducted a Business Meet with Indian and Guatemalan Companies to promote the trade between India and Guatemala by possibly setting up a warehouse in Escuintla, Guatemala. This was second of the four Road shows that will be conducted in Guatemala. The event was organized in hybrid mode to maximize its reach. The Business Meet featured physical participation from over 20 entrepreneurs from Guatemala along with 15 participating companies from India who made presentations of their respective products virtually. Mr Ariel Andrade from El Salvador, Ex Ambassador of El Salvador in India was also present virtually.

2. H.E. Shri Manoj Kumar Mohapatra, Ambassador of India to Guatemala in his inaugural speech highlighted the large scope for investments and trade between India and Central America and invited Indian companies to explore the possibility of being part of warehouse project. Dr. Rajesh Ingle, Director, India Business Forum spoke about the warehousing project
