# NOTICE INVITING TENDER

The Embassy of India in Guatemala City invites sealed quotations from eligible and experienced local firms/contractors for the installation and connection of a 30 KV Kohler Power Generator Set (liquid gas operated), including Automatic Transfer Switch (ATS).

**Scope of Work:**

- The generator set, currently placed in the parking area, is to be properly installed inside the basement and connected to the main electrical power supply of the Chancery building.
- Work includes installation of required parts and electric connections to ensure automatic electricity backup to the building during power outages.
- No servicing or repair work of the generator set itself is included in this tender—only installation and connection are to be carried out.

**Terms and Conditions:**

1. Quoted prices should be in local currency (Quetzales) and exclusive of IVA.
2. The Embassy will make a 50% advance payment upon award of contract and the remaining 50% upon successful completion of the work.
3. The contractor must provide a guarantee of one year on the connection and installation work, covering any faults or failures arising from installation.

4. Any repair or servicing of the generator set itself is not included in this contract.
5. The contractor is expected to complete the work in a professional and timely manner, adhering to local safety and building codes.

Interested firms may submit their quotations in sealed envelopes marked "Tender for Generator Installation – Embassy of India" to the following address:

**Embassy of India**
3 Avenida, 17-59,
Zona 14,
Guatemala City

The last date for submission of quotations is **30 June 2025** by **1500 hrs**. The Embassy reserves the right to accept or reject any or all bids without assigning any reason.
